

## Future Events in the Area

### Social Evening, The Oasis, Baker Street

Monday 10<sup>th</sup> December 2012

Our first event!

A chance to meet your neighbours in a social and relaxed atmosphere. Also the BSANA committee, council and other officials will be present so you can ask any questions. There will be a chance to say what you want out of your neighbourhood association – and a chance for you to volunteer to help.

### Carol Singing

Thursday 20<sup>th</sup> December 2012

Organised by the Carey Baptist Church, this is a chance to go round and sing carols. For more information, contact the Carey Baptist Church, at The Oasis in Baker Street (or email [bsana@symbolic.net](mailto:bsana@symbolic.net))

### Local area street clean

One day in April/May 2013

This is the neighbourhood association; we plan to get local people to help clean up the area. Details (as well as date) are to be confirmed. This means that there's still time for you to put your input. What specially needs cleaning near you? Rubbish? Weeds? And can you help us to make the area one to be proud of?

## Your chance to participate

Either come along to any of our open meetings, or just contact us. The best way to get in touch is by email.

# Baker Street Area Neighbourhood Association

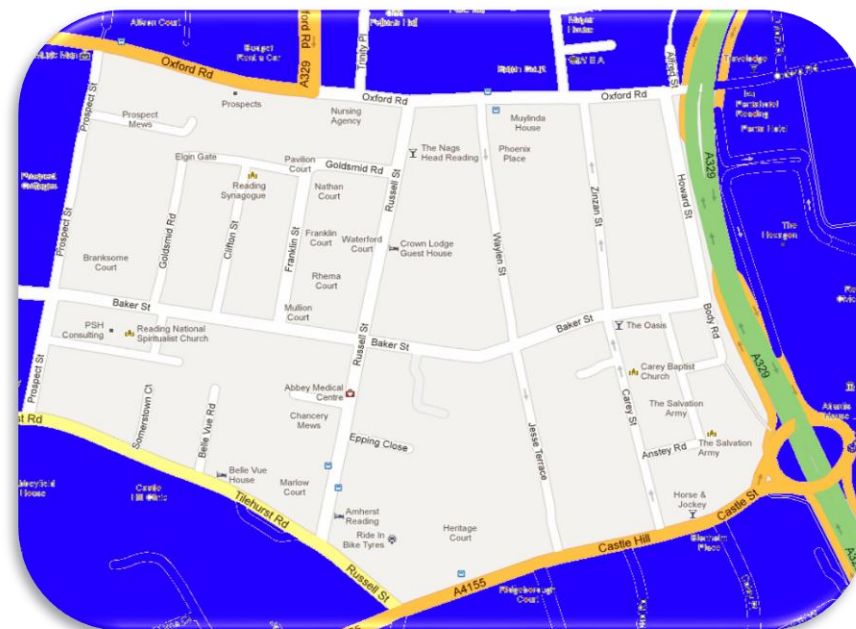

## Welcome, one and all

The buzz of excitement after our first meeting in November is palpable and we already have a very active group, cooking up plans and ideas for next year. We've already been able to secure a generous start-up grant from *Get Involved Reading!* and we are hopeful of securing more going forward for an exciting project in the New Year. So come, join in the fun and planning – and get to know your neighbours.

Karen Rowland, Chair

For example, any planning proposals that come up in our area we can gather together what local residents think and present it to the council to help sway their decision.

### Just passing through?

The Baker Street Area has lots of people who are just staying in the area for a short time, maybe just a few months. If you know anyone visiting the area, let them know about us.

They don't have to come for long to benefit from the association, and they are welcome at all our social events.
